

Detail Reference Guide to
Determining CMS Medicare + 35%
for Offices of the Insurance Commissioner (OIC)
Workers' Compensation Maximum Medical Reimbursement Fee Schedules
Effective: July 1, 2012
Subsequent schedules should be updated each July 1 until further notice.

Codes listed with "0" or not listed are carrier/payor priced.
The absence or presence of a code does not indicate workers' compensation coverage.

HCPCS Level II

Calculate the OIC Maximum Medical Reimbursement with the following formula(s):
(Formula component 1.35 below represents Medicare + 35%), rounded

Medicare *West Virginia Durable Medical Equipment* fee, rounded x 1.35 = OIC
Maximum Medical Reimbursement, rounded

IMPORTANT NOTES:

1. The following table is available from Medicare <http://www.cms.gov/home/medicare.asp>: *Durable Medical Equipment, Prosthetics, Orthotics and Supplies (DMEPOS)*
2. Within the Medicare Website go to the link labeled *Durable Medical Equipment, Prosthetics, Orthotics and Supplies (DMEPOS) Fee Schedules*. From there go to the link *DMEPOS Fee Schedule*. From there take the link for the July 1 update prior to date of service folder. For date of service between July 1 and June 30, the reimbursement effective on the July 1 immediately prior to date of service would apply. For example, for a January 10, 2013 date of service, the Medicare reimbursement information effective on July 1, 2012 would apply. Find the Excel table labeled (year)_(most recent month of update). For example, the July 2012 file is named DME12 C, then DME12 C (zip file), then the Excel worksheet titled: DME2012 JUL.
3. The fees found under the column for West Virginia (WV) on the *Durable Medical Equipment, Prosthetics, Orthotics and Supplies (DMEPOS)* table, rounded; then multiply by 1.35 to calculate the OIC Maximum allowable fee, rounded.
